Comprehensive Performance Test and
Continuous Monitoring System Performance Evaluation Test
Eastman Chemical Company
Kingsport, Tennessee
TND 00 337 6928

The Tennessee Division of Air Pollution Control approved the December 2006 Comprehensive Performance Test Plan for the Liquid Chemical Destructor as submitted on December 14, 2006 correspondence from Eastman Chemical Company (Eastman). In addition, the agency approved the Continuous Monitoring System Performance Evaluation Test Plan for the Liquid Chemical Destructor. The plans are approved under the National Emissions Standards for Hazardous Air Pollutants for Hazardous Waste Combustors, 40 CFR 63, Subpart EEE, §63.1207(e). The Comprehensive Performance Test (CPT) and Continuous Monitoring System Performance Evaluation Test are scheduled to be conducted on or after September 24, 2007 and expected to last for one week. The plans will be available beginning July 27, 2007 through September 23, 2007. The CPT is required to demonstrate compliance with the Subpart EEE emission standards.
